Friends and Family Test

September 2023

The Practice has been collecting Friends and Family Test data from patients who have used the Practice's services. This information has been collected using 3 methods:

- PATCHS (Online) - Patients completing a PATCHS online consultation are asked to complete the test
- Website (Online)- This is available to all patients; the Practice also randomly selects patients who have used the Practice services in the previous month and sends them a SMS/text, inviting them to complete the test
- Paper - This is available to all patients who attend the Practice

The Friends & Family Test asks one simple question:

Thinking about your GP practice. Overall, how was your experience of our service?

Breakdown of responses received:

Good	5	Website (Online)	7
Neither good nor poor	2	Paper	0
Poor	0
